

SAFETY SHAPES

Instructions:

Listen carefully to your teacher's directions about what to do for each picture.

1. Count the sides on the stop sign. Write that number next to the stop sign.
2. Put a square around the crosswalk.
3. Draw a line under the bike helmet.
4. Color in the middle circle of the stoplight.
5. Draw a triangle above the bike.
6. Circle the crossing guard.
